What is the 3x3 Streetball Camp Sarajevo 2025?

The 3x3 Streetball Camp Sarajevo 2025 is a three-day regional youth event dedicated to promoting gender equality, inclusion, respect, and social connection through the dynamic format of 3x3 basketball. Taking place in Sarajevo from July 4 to 6, 2025, the camp will bring together around 150 participants - boys and girls aged 14 to 16 from across the Western Balkans for an unforgettable experience of sport, learning, and cultural exchange. Designed as a grassroots event, the camp blends play with values-based education, offering a safe space where diversity is celebrated, friendships are formed, and young people are empowered both on and off the court.

Who Will Participate?

The participants are girls and boys aged between 14 and 16, coming from a range of social and cultural contexts. The camp is structured to ensure gender balance and promote full participation of all young people, regardless of background.

Activities are designed to support mutual respect, confidence-building, and the creation of a safe and inclusive environment. Coaches, facilitators, and trainers from each club will also be actively involved in delivering the programme and ensuring participant well-being throughout the event.

The camp welcomes youth teams from Bosnia and Herzegovina, Serbia, Croatia, and Montenegro representing more than a dozen cities and towns. Participating clubs include:

**KK Feniks – Sarajevo • KK Rolling – Hadžići • KK Big – Visoko •
KA Zrinjski – Mostar • ŽKK Zrinjski 2010 – Mostar •
KK Basket – Živinice • USFK Saba 10N1 – Ključ • AS – Donji Vakuf •
Never Stop – Donji Vakuf • KK Vučići – Zagreb • KK West Side
Hoppers – Zagreb • KK Panteri – Vranje • KK Basket for Kids
Montenegro – Podgorica**

What Are The Camp's Objectives?

The 3x3 Streetball Camp Sarajevo 2025 is guided by several core objectives:

- To **promote regional cooperation and dialogue** among youth through the universal language of sport;
- To **empower participants** with skills in teamwork, fair play, leadership, and mutual respect;
- To **highlight the role of grassroots sport** in reconciliation and peacebuilding;
- To **strengthen gender equality** and encourage mixed participation;
- To **provide a platform for young people** to make friends, learn about each other's lives, and return home with new perspectives.

By combining sport with social learning, the camp contributes to broader efforts to build understanding and solidarity across the Western Balkans.

What Will the Camp Include?

The three-day camp programme features a rich mix of activities designed to create an engaging and memorable experience for all involved. These include:

Opening Session & Icebreakers on Trebević Mountain, including a ride on the Sarajevo cable car, a tour of the historic bobsled track, and interactive team games;

Joint **Basketball Trainings** at Skenderija Sports Center with mixed teams and collaborative workshops;

Sarajevo Tour, an educational city tour of Sarajevo;

Evening Social Dinners for informal bonding and coach networking;

One-Day 3x3 Tournament, with friendly competition and inclusive play at the heart of the event;

Cultural Exchange and Reflection Activities, allowing space for personal connection and shared stories.

Which Projects Are Behind This Initiative?

The 3x3 Streetball Camp Sarajevo 2025 is implemented within the framework of two complementary international projects:

Game Changers – "Game Changers – Promoting Human Rights and Equality through Sport" is an initiative aimed at leveraging the power of sport to drive social change in Bosnia and Herzegovina.

Focusing on youth, vulnerable groups, civil society organizations, and sports entities, the project strives to overcome social barriers, combat discrimination, and promote inclusion. Through various activities such as workshops, tournaments, and capacity-building seminars, the project aims to empower marginalized social groups, advance gender equality, foster understanding among different social categories, and build greater social cohesion and inclusion through sport.

The project is funded by the European Union and implemented by project partners – the fairplay initiative (VIDC) from Austria, in collaboration with local organizations Igrajmo Zajedno Inicijativa (IZI) and the Youth Initiative for Human Rights (YIHR) in Bosnia and Herzegovina.

Sport Zajedno – Promoting Social Inclusion and Reconciliation through Grassroots Sports in the Western Balkans.

The "Sport Zajedno" project aims at promoting social inclusion and post-conflict reconciliation among young people in and through grassroots sport across the Western Balkans. Methods to achieve this objective include training, education, awareness-raising, capacity-building of local grassroots sport stakeholders and youth sport interventions. The project brings together civil society organisations and sport clubs from Austria, Bosnia & Herzegovina, Croatia, Kosovo, Montenegro and Serbia. Sport Zajedno project is co-funded by the **Erasmus+ Sport** programme. This project fosters youth inclusion and regional reconciliation through collaborative grassroots sports initiatives.

Together, these projects have joined forces to amplify their impact, supporting youth-led change, social inclusion, and regional solidarity through sport.

The 3x3 Streetball Camp is organized by Igrajmo Zajedno Inicijativa with support of fairplay initiative / VIDC and other Sport Zajedno project partners ATINA Serbia, FC Zagreb 041, YIHR BiH, YIHR Montenegro.
